

Public Responsibility and accountability: **A democratic demand** *International Seminar 2015*

Tuesday, October 13, 2015

Conference hall: Regency Ballroom C

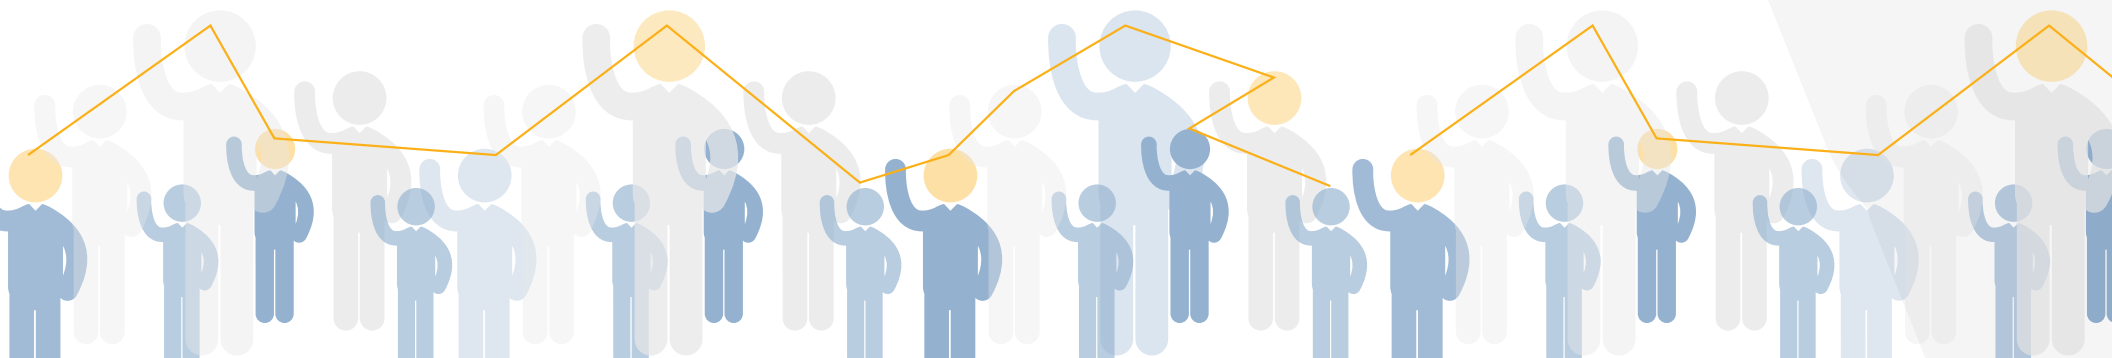

- **Hyatt Regency Mexico City**
Campos Elíseos 204, Polanco Chapultepec, Mexico City.

● **OBJECTIVE**

The purpose of the Seminar is to discuss public policy proposals based on applied research, specific case studies and international experiences for tackling corruption effectively and for building a public responsibility system in complex societies.

METHOD

- 1** The International Seminar will take place during one day. Adopting a multidisciplinary approach combining law, social science and organizational design it includes three panels and two keynote speeches.
- 2** Each session will address proposals and experiences for public responsibility supported on empirical research, experiences and particularly relevant case studies.
- 3** Each panel will be moderated by specialists in the field.
- 4** Participants are national and international members from civil society organizations, universities and public institutions.
- 5** All Seminar activities will be recorded to produce electronic and printed summaries. Interviews, videos, and podcasts will be broadcasted throughout the event.
- 6** A website will be available for registration, consultation and general information about the Seminar.
- 7** With the support of the Accountability Network a simulcast will take place in several Mexican states and universities.
