

## Public Responsibility and accountability: **A democratic demand** *International Seminar 2015*

**Tuesday, October 13, 2015**

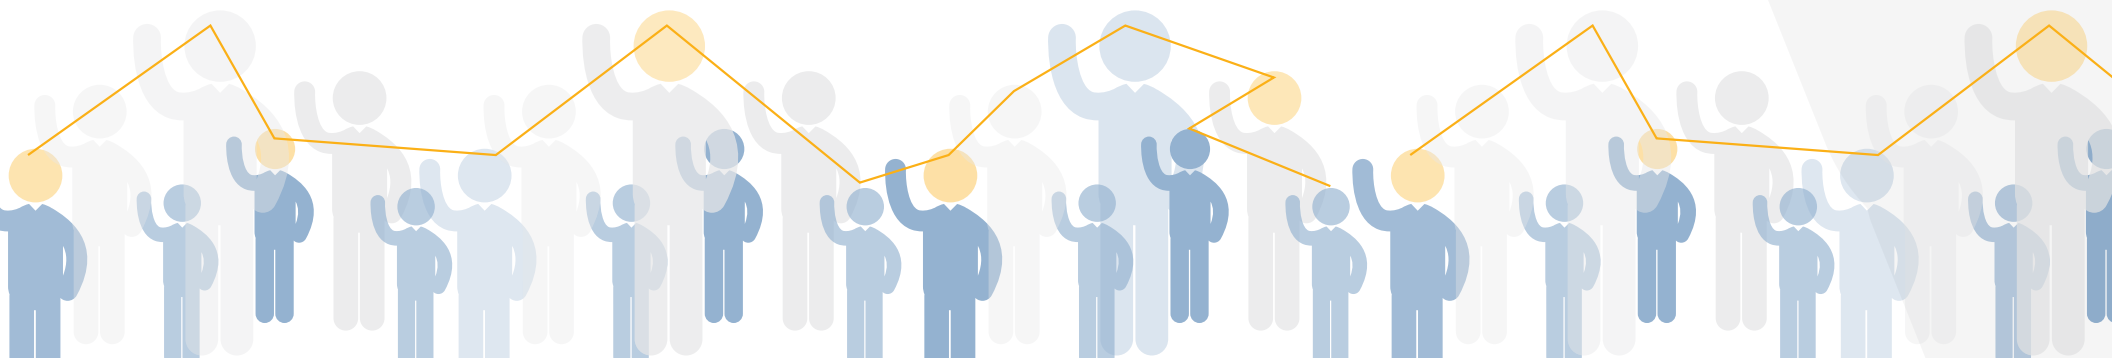

- **Hyatt Regency Polanco**, Calle Campos Elíseos  
Street 204, Miguel Hidalgo, Polanco Chapultepec, 11560  
Mexico City , DF

### ● **OBJECTIVE**

The purpose of the Seminar is to discuss public policy proposals based on applied research, specific case studies and international experiences for tackling corruption effectively and for building a public responsibility system in complex societies.

### **METHOD**

- 1** The International Seminar will take place during one day. Adopting a multidisciplinary approach combining law, social science and organizational design it includes three panels and two keynote speeches. Each session will address proposals and experiences for public responsibility supported on empirical research, experiences and particularly relevant case studies.
- 2** Participants are national and international members from civil society organizations, universities and public institutions.
- 3** All Seminar activities will be recorded to produce electronic and printed summaries. Interviews, videos, and podcasts will be broadcasted throughout the event.
- 4** A website will be available for registration, consultation and general information about the Seminar.
- 5** With the support of the Accountability Network a simulcast will take place in several Mexican states and universities.
